

Welcome to

Kindergarten

You and your child are invited to a
Kindergarten Orientation Session

Thursday, May 5

2:15 - 4:00 pm

Plattsville & District Public School Gym

Have an opportunity to meet and greet with PDPS Staff and Community Partners and learn more about the Kindergarten Program at Plattsville, followed by an opportunity to visit our Kindergarten Classrooms.

Please introduce us to your child by completing the 'transition to school' survey linked below.

One of the questions is an 'RSVP' for the Orientation session which will help us plan for the afternoon.

Masking is strongly recommended.

We look forward to meeting you and your child.

Thank you for helping us get ready to welcome your child to Kindergarten at PDPS in September 2022!
