

[Sora](#) Sweet Reads is an annual summer reading program that is currently available to students and staff through Sora, the student reading app, which provides free access to ebooks and audiobooks 24/7. The program is designed to encourage students to keep reading all year long, even while school is out in the summer.

Titles in this year's Sora Sweet Reads are available now through Aug. 28 and offers 57 simultaneous use juvenile and young adult ebooks and audiobooks. The books in the Sora Sweet Read are all multi-user access and always available, so students can read them without holds or waitlists! The Sweet Reads collection can be accessed in your browser [here](#).

While titles in the Sweet Reads program are available **until Aug. 28**, all other ebooks, audiobooks, and magazines on Sora are available all year, including the summer.

Also, the SYNC Audiobooks for Teens is a free summer program available through Sora that runs from now until Aug. 2. This is geared at readers in high school.
