Milk and Popcorn Sales - Tickets

If you have purchased milk or popcorn tickets this week or last week, please email Ms. Elcombe (t.elcombe@tvdsb.ca) so we can print these out for you on Monday. Unfortunately, Mrs. Knight has been off all week and we were not able to access SchoolCashOnline to know who has made purchases since the March Break. The online site may be 'closed' to purchases this weekend for the same reason. We will do our best to print tickets and get them distributed as soon as possible. Sorry for any inconvenience.

Lost & Found

There will be no photos this week. If you are looking for a particular item, please let your child's educator know and we'll have a look on Monday.

Author Visit

We are excited here at Plattsville to have the opportunity to have an in-person visit from author, Michael Wade on Wednesday, March 29th. He is the author of the book series "And Then It Happened" which we have a few copies of here in our school library. Michael Wade has spoken at thousands of schools across Canada, making him one of the country's busiest guest authors! Students from grades 3-6 (with the exception of grades 2 and 7 in the split classes) will be invited to listen to a dynamic, humorous presentation which focuses on the power of words and the fun and importance of reading.

Some of the points included in his visit will be:

1. The Writing Process
2. A short, fun writing activity
3. Where his ideas come from
4. A new story!
5. Question session

Students will also have the opportunity to purchase a signed copy of one of his books for \$5/copy or 6 books for \$20. Purchases will be made for our school library collection as well, allowing students the opportunity to check out books during their designated library periods.

Parents are invited to attend the presentation in the library.

Times and classes are as follows:

11:45-12:25 = 2/3 Harris, 4/5 McIntyre, 5/6 Wesselson

2:00-2:40 = 2/3 Baller, 3/4 Lowrick, 6/7 Johnson

Thank you for your continued support

Thoughts of the Day this past week

Very little is needed to make a happy life; it is all within yourself, in your way of thinking.

Spring is the season of hope, of trying before you know you'll succeed.

Never let the fear of striking out keep you from playing the game.

The secret of getting ahead is getting started.

Pain is temporary. Quitting lasts forever.
