

How to use this resource video [HERE](#)

| Date | Link to document | Concepts covered | | | |
|-----------|--|--|--|---|--|
| | | Early Years | Primary | Junior | Intermediate |
| May '23 | CTV News YouTube | -pictograph -predicting numbers -counting days of the week | -measurement in centimeters -estimation -decimeter -counting by 10s | -time -data | -integers -data -infographics |
| April '23 | Come Fly with Us Activities YouTube | -measurement | -problem solving -computation | -coordinates on a grid -problem solving -elapsed time (spiral) | -ratios -problem solving |
| March '23 | Trackunit Activities YouTube | -unitizing -counting | -geometry -angles | -algebra -multiplication | -measurement |
| Feb. '23 | Fur Paws Only Activities YouTube | -one more than, one less than (hierarchical inclusion) | -which one doesn't belong | -estimating total cost -sales tax -percentages | -ratios -financial planning -taxes, percentage, financial literacy |
| Jan. '23 | Arrow Auto Activities YouTube | -parts-whole | -estimation -parts-whole -multiplication -place value | -algebra (equivalencies) -operations through problem solving -parts-whole | -negative numbers (integers) |
| Dec. '22 | Growing Chefs Activities YouTube | -subitizing | -patterning -measurement -ratios & multiplication | -ratios -measurement -doubling | -ratios -measurement -doubling |
