Good Afternoon,

My name is Sarah Kohman and I am one of the Drumbo Soccer executives. We have decided to go forward with Drumbo Soccer in 2022 and hoping you could share the registration details with your school families in one of your email blasts rather than our club bringing hard copies to the school as we have done in the past.

Drumbo school will be sharing the following message and attaching our registration form and I hope you are able to do the same. Can you please let me know if this is not something your school is able to complete and we will try to figure out another way to let parents know in your communities that soccer will be running in 2022.

Thank you for your time.
