

Pumpkin Carving Contest

Friday, October 29th, 2021

This year Plattsville School will be having a pumpkin carving contest. We hope that many students will be involved in this exciting event! If your child wishes to participate, please have them bring the pumpkin that they have carved to school on Friday morning at 8:45 to the main tarmac area. If it is raining, pumpkins will be submitted to the bear cave area. We will not be having categories this year for the pumpkins. Students over the course of the day will get to come and see these awesome creations and vote for their top 5! At the end of the day, students will be given back their pumpkins to take home.
