- Still waiting on training for our administrator for some final totals- can confirm sept lunch(totals are always a month behind) was \$504, Dielmans \$932.93
- At this time our account shows \$11,734.74 (still some possible outstanding numbers from last year as we are waiting on completion of last years budget)

### **Hot Lunch Program (Sam)**

- Sales have stayed approximately the same since Sept – staying fairly consistent
- Currently have 2 volunteers with a substitute if needed – another volunteer or two in case of illness would be appreciated. If interested please reach out to Sam Burns (Kim and Brigitte can be on call if needed)
- Sam to look into new Barburrito location

### **Fundraising**

- Updates on last event- Dielmans brought in \$932.93- a bit of a decrease in sales this year- might be worth looking at another option next year (used these funds for sensory and well being items)
- Suggestion for an artisan market, potential raffle at the end of year – classes(families) could donate items toward gift basket and purchase tickets and put in bag to win a prize
- Keep an eye for any ideas for fundraisers such as Dielmans
- Plan to book Elmira Poultry – looking for pick up to be Feb 26<sup>th</sup> – last year was a bit of a struggle using school cash on line so this year may try to have families complete paper form and then pay on line. Due Feb 8<sup>th</sup> – will try to send out Jan 19<sup>th</sup>. Looking to use funds from this fundraiser to purchase a set of drum fit (possibly 2 sets – Trish to discuss with Blenheim school if they might have an interest of a set)
- Not fundraising specific- discussed the wish list items for the school / classroom and the opportunity to bring things for teacher gifts if people are interested
